WE as human being usually only feel regret and realize our mistakes when we go through a traumatic, disaster or life-changing experience. Why we have to go through terrible ordeal first to make us realize all the mistake we've done in life? And when we are faced with this sort of circumstance then only one name we remember: ALLAH SWT. There's no other way beside to pray and ask for His forgiveness for all the sins we've done. The door if divine intervention is one of Allah's greatness that oftenly used to return us to the right path. His forgiveness is human being's only hope to get back into His path. Human hope to get into the right path once this door is open for them. PINTU HIDAYAH (The Door of Divine Intervention) is a tv series that tells the stories of people who experienced this life-changing, defining moment in their life.
